Is not religion all deeds and all reflection, And that which is neither deed nor reflection, but a wonder and a surprise ever springing in the soul, even while the hands hew the stone or tend the loom? Who can separate his faith from his actions or his belief from his occupation? Who can spread his hours before him, saying, "This for God and this for myself; This for my soul, and this other for my body?" All your hours are wings that beat through space from self to self. He who wears his morality but as his best garment were better naked. The wind and the sun will tear no holes in his skin. And he who defones his conduct by ethics imprisons his song-bird in a cage. The freest song comes not through bars and wires. And he to whom worshipping is a window, to open but also to shut, has not yet visited the house of his soul whose windows are from dawn to dawn. Your daily life is your temple and your religion. Whenever you enter into it take with your all. Take the plough and the forge and the mallet and the lute, The things you have fashioned in necessity or for delight. For in reverie you cannot rise above your achievements nor fall lower than your failures. And take with you all men: For in adoration you cannot fly higher than their hopes nor humble yourself lower than your despair. And if you would know God be not therefore a solver of riddles. Rather look about you and you shall see Him walking in the cloud, outstretching His arms in the lighting and descending in rain. You shall see Him smiling in flowers, then rising and waving His hands in trees.

PROM '72

Entering through the grin of an enormous clown, The Circus made its way to the 1972 Junior-Senior Prom. Maybe on a tightrope herself, Lenny Granger, escorted by Tom Seelinger, was crowned that year's queen. With the help of candy apples, peanuts, and joyous clowns, all aspects of the circus came to life. The ringmaster, assisted by the balloon man, managed to keep the snakes and gorillas in their cages. With Prom '73 taking place at the Ramada Inn instead of the gym, the decorations held added meaning for those who attended in '72.

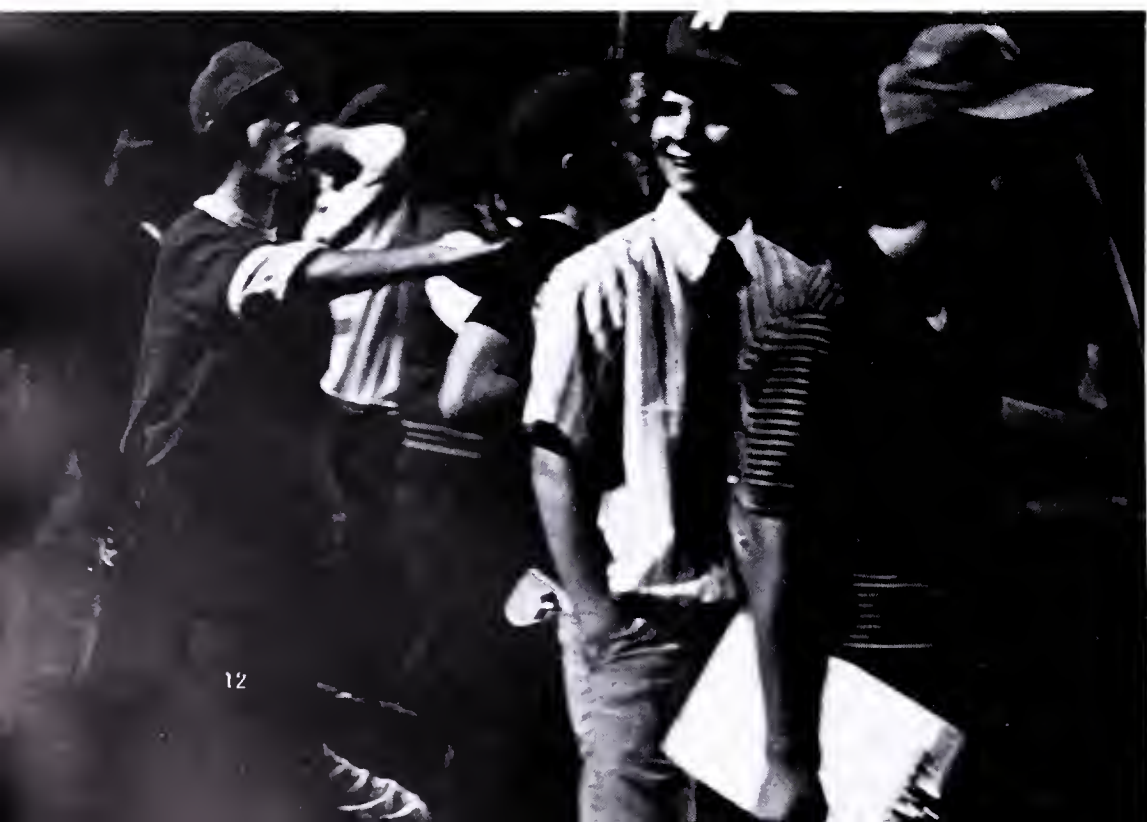

Under the supervision of Robin Connor and Steve Decker, the gym had been successfully transformed into a visual memory of our youthful innocence, innocence left behind not quite as eagerly as we had expected it to be.

POWDERPUFF

The Junior Jockettes almost pulled one over on the Senior Sad Sacks at our annual Powderpuff confrontation. Excited by Dorothy Shilling's running, Cuddy Marx's quarterbacking, and the eagerness of their first-year Coaching Squad, the Juniors rose quickly to a 6-0 lead, which held until half-time.

After half-time and finally ready to play ball, the Seniors erupted for a touchdown by Teri Norman plus two extra points by Joanie Monahan. Egged on by their cheerleaders and the brilliant tactics of their more experienced coaches, the Seniors brought the game to its 14-6 conclusion with a touchdown toss from Sally Johnson to Kim Walker. Once again, the Class of '73 . . .

PEP RALLIES

Cheerleaders, Songleaders, Band, and various members of the faculty joined their talents together to bring the spirit of the football season to the students of McLean. Classrooms were searched for hidden footballs and voices screamed out in pursuit of the Spirit Stick, but, their voices lost to the boys on the team and the pseudo-sophistication of them, the Juniors and Seniors failed to ever really join in. The Freshmen, always eager to try anything new, were constantly battling it out with the Sophomores as even they, old hands at this business, were beaten more than once by the eagerness of the Frosh.

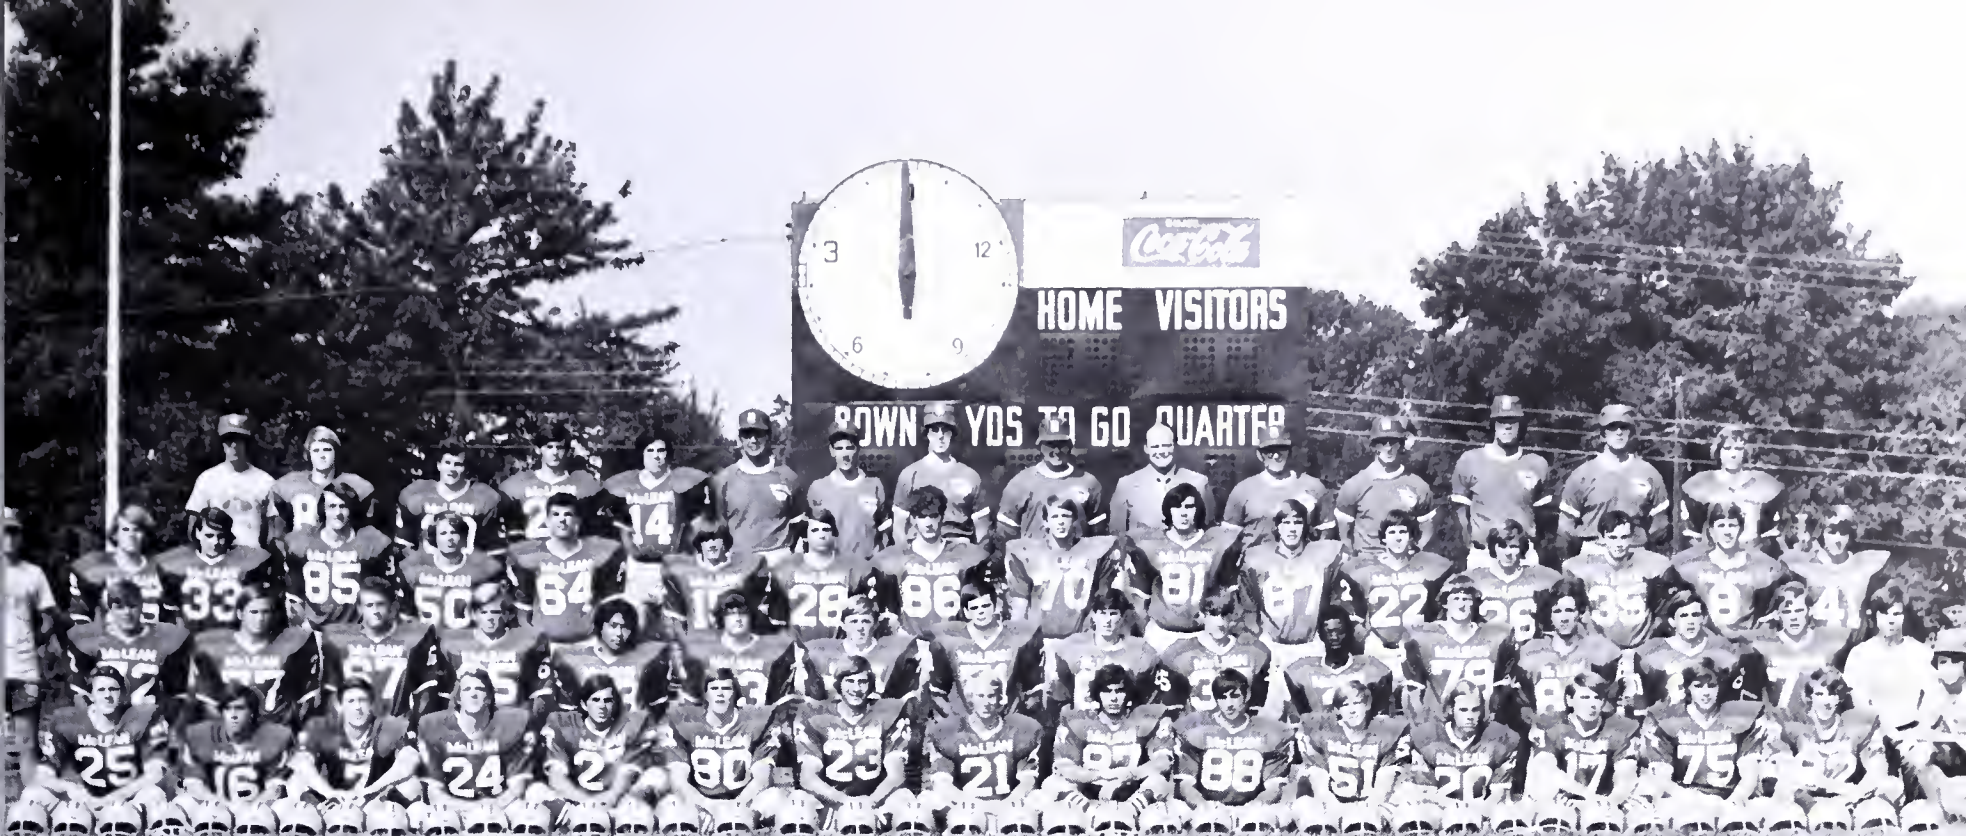

VARSITY FOOTBALL

The Varsity football team, under new Head Coach Periello, fought its way to an event-filled 2-win, 6-loss, and 2-tie season. The wins came over Mount Vernon and Madison, with the ties on Oakton and Herndon. Throughout the season, the team was supported by the colorful band and drill team, the enthusiasm of the songleaders and cheerleaders, and the fairly large crowds. In spite of this and the talent of tri-captains Randy Russell, Brad Schwarz and Gary Nelson, the team was never able to come up with the really crucial points.

Coach Periello, assisted by coaches Reeves, Dinan, and Mandes, worked hard to develop depth in the team and build for next year's team, while trying to bring victory to McLean this year. With 24 seniors leaving the team, there is great hope that his foresight will pay off next season.

The Cheerleaders and Songleaders again led an active season of supporting the boys sports programs. Along with the cheerleading sponsor, Mrs. Schupp, and the Songleading sponsor, Mrs. Womble, the girls worked together to involve the student body in their enthusiasm for sports at McLean. As the year continues, the cheerleaders go on to cheer for basketball, while the Songleaders support the wrestling team. Both squads work equally hard to encourage the guys, and the athletic department.

In every game, in every rally, it wouldn't be complete without the talents of plaid suits and white boots. Marching with perfect timing, they provided the spirit which was necessary in the events of McLean High. Adding to the color of the games, the Swiss Flag Corp held their banners high as twirlers Barbie Gallagher and Jenny Shimitz were on hand to catch their batons. Acting as drill team captain was Martha Lubin and as drum major, Jack Jennings.

Supporting the band in every step of the way were director Mr. Lenny Leard and drill team sponsor Mrs. Lindgren.

Without a doubt the combinations of all these people led to the success of the McLean High School Band and Drill Team.

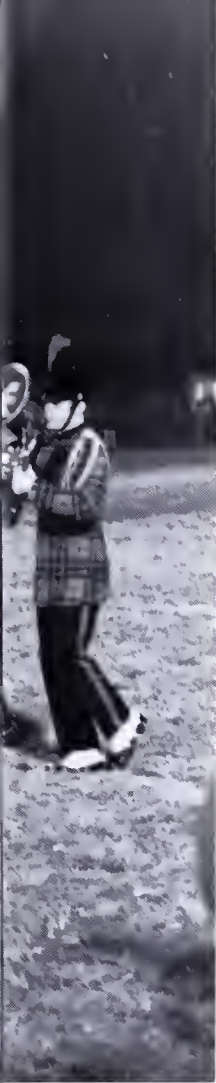

HOMECOMING

"Statesmen are rotten to the core!" shouted the little green worm atop the Senior float as Felicia Lloyd, escorted by Charles Horne, was crowned this year's Homecoming Queen. Linda Starbuck, Queen '71, returned to crown Felicia along with Princesses Travis Horel and Joanie Monahan. The high-stepping Highlander Band and Drill Team outdid themselves during half-time while Cheerleaders and Songleaders desperately tried to prove their preparations worthwhile. With it not really their night and playing against a strong Marshall squad, McLean scored one touchdown, but was not able to hold off for a better than 28-6 loss.

Undaunted, many relived "The Days of Wine and Roses" on the following night. Dancing amid an enormous wine bottle and glass, and upon a rose-strewn floor, the loss of the previous night seemed to fade quietly away.

JV FOOTBALL

The Junior Varsity football team, under the coaching of Coach Henry and Coach Bush, fought its way to a 1-win, 6-loss, and 1-tie season, scoring their win over Marshall and tying Yorktown. Both coaches worked hard with the players to develop their skills, and to prepare them for next year's Varsity or Junior Varsity teams.

FRESHMAN FOOTBALL

The Frosh beat Herndon, tied Langley, and wound up with a 1-win, 4-loss, and 1-tie season. Both Coach Parks and Coach Wood worked hard with the limited time available and the skills developed will prove immeasurable in their next three Falls at McLean.

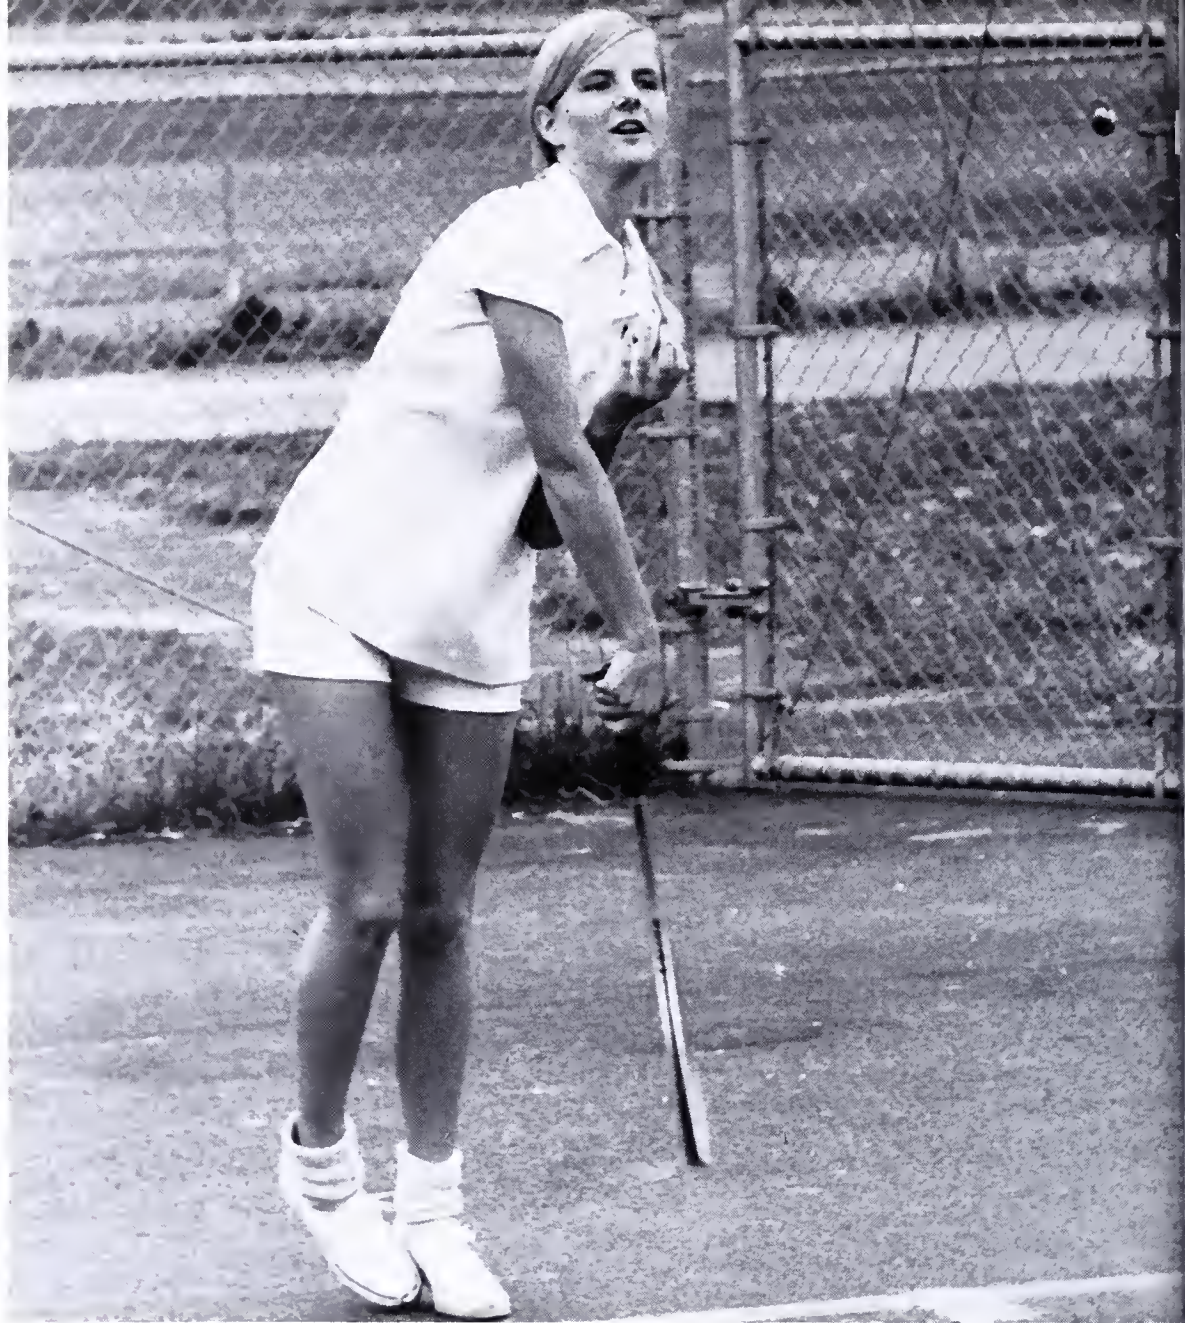

CROSS COUNTRY

The small McLean Cross Country team ran its way to a disappointing four loss and one tie season, the tie coming against Yorktown. Coach Levin, in his first year as cross country coach, has great hopes for future seasons as only three seniors are graduating from the team.

TENNIS

The Girl's Tennis Team began the season with not only new players but new coaches, Mr. Robert Glenn and Mrs. Anna Schupp. With the help of the coaches the team went on to a winning season, which was five wins and four losses. Then at the end of the season five girls advanced to the Regionals: a singles player, Coddy Marx and two doubles teams, Karen Vetterling and Barbara Marsland and Debbie Furmage and Missy Metz. Coddy Marx advanced to state. This year two new awards were given at the Fall Sports Banquet, to the most improved player and the most valuable player. Kathy Wieseman, a new member of the team, who played number four singles, received the first award and Coddy Marx, who played number one singles received the second. Although the team is losing several of their important senior players, Sally Johnston, number two singles, Rene Gertreu, number three singles, and Ann Thor and Christa Haffner, number three doubles, the team has great hopes for another winning season next year.

Coach Schupp, Barbara Marsland, Shelley Smith, Missy Metz, Kathy Cochran, Coddy Marx, Christa Haffner, Susan Golonka, Nancy Lengyel, Anastasia Martinez, Debbie Gingell, Denise Fitzpatrick, Annette Boccabello, Sally Johnston, Ann Thor, Coach Glenn, Debbie Furmage, Jamezetta Karickhoff, Dorothy Shilling, Karen Vetterling, Suzanne Acar, Kathy Wieseman.

HOCKEY

HOCKEY to the 38 girls on the teams it was more than just a game. It was 10 weeks of hard practice, games and fun. With the advice and friendship of Coach Carroll the varsity season was a success. Lead by co-captains Robbie Connor and Sara Rosenbaum, the varsity held a 5-3-0 record. The defense held the opponents to 5 goals while the offense scooped in 11. With encouragement from Miss T. the J.V., boosted by co-captains Felicia Grable and Margie Conrad, increased in skill from day to day. Through the season they developed as friends and as a team. If it wasn't a surprise visit to the coach's house on Halloween with T.P. and costumes, it was corsages and horror movies. If all else failed they could always run extra laps to talk and plot their next attack. This year, more than any other, they were a team! Not individuals, but a team that worked, fought, laughed and cried together. Whether they won or lost on the scoreboard, they always came out ahead.

BACK TO SCHOOL

Each year, a night is set aside for the parents to take on their children's roles as students. After a brief orientation, they are "let loose"—armed only with an "Angus Almanac", a copy of each of their children's schedules and the dilemma of choosing between them, and the optimism that this year's guides will be better navigators than last.

CAMPAIGN '72

In the form of two assemblies for the upperclassmen, the major congressional candidates of 1972 attended McLean. Joel T. Broyhill eventually won the race, but it was Harold O. Miller who was generally favored in McLean's mock election. Both assemblies, while not really bringing anything new to the surface, did manage to bring the election a bit closer to home for those soon-to-vote Juniors and Seniors.

IT'S ACADEMIC

The It's Academic team competes on the TV quiz show each year with other three member teams from public and parochial schools in the Washington metropolitan area. The money that the McLean team wins is put in a scholarship fund and in the spring is awarded to a college bound student.

This year the team practiced with Miss Tankard and Mrs. Deverall two mornings before school and an evening each week. They also practiced with a buzz board similar to the one used on the show.

The Debate and Forensics Team fosters interest in competitive debate and individual speech events. Participation in these events extends to tournaments sponsored by the Washington Forensic League, which admitted the team to membership for the first time in September, 1972; the Virginia High School League, and university invitational meets. The team participated in twelve tournaments during the year, winning several trophies.

Mrs. Kathleen Rixey is the individual events coach, and Dr. Paul Shirk serves as debate coach.

HUMANITIES

FIORELLO!

FIORELLO!

The curtain opens to the sign of "On the Air" and Raul Grable, as Fiorello H. LaGuardia, is reading the Sunday funnies to the children of New York City. Flashing back from this scene to the earlier years of his political career, the play takes Mayor LaGuardia's life from unknown civil liberties lawyer to his unbelievable position as congressman.

The play was directed by John Duncan with Lon Leard directing the orchestra and the combination of drama and band departments in "Fiorello!" provided for a truly enjoyable

WINTER FASHION '72

Every Fall, in co-operation with the Simplicity fashion company, the Home-Economics department organizes a fashion show in which pupils from the department model new outfits of the season. With the art department's colorful curtain design, the light music of the band, and the use of both male and female models, the show proved very enjoyable.

THE GREAT FALLS

ART SHOW

In co-operation with the National Park Service and the art departments of McLean, Herndon, and Langley, what was commonly referred to as The First Annual Great Falls Art Show came into being. With almost total access of the information center building, the exhibition was so successful that plans were started immediately for an exclusively-McLean showing in the Spring.

SADIE HAWKINS

Lil Abner were on the minds of the CLAN staff for once again Sadie Hawkins was brought to McLean High. The band was "Smokin'" and set the mood for square dancing and the guzzlin' down of "kickapoojoy-juice". Everybody was friends, as gals took their guys into an atmosphere of real, old countrie livin'.

The wishin' well seemed to do its job as folks from fer and near lined up with their honeys at the chapel. Mar-ryin' Sam Murphy, armed with ring in one hand and license in the other, proclaimed that "the luvly--has done legally caught her slow-movin'--."

TRI-M

CHRISTMAS DANCE

This year, the Key and Keyette Clubs sponsored their annual Christmas dance to the theme of "The Twelve Days of Christmas". Murals decorated the entranceway and put everyone in the mood as swans, geese and milk maid cardboard figures were scattered 'round the cafeteria. There even was a partridge in a Christmas Tree! Sitting under the mistletoe and armed with candy canes, Santa Claus, alias Randy Russell, added to the festivities. In spite of a name like "Clean Peanuts", the band really was good and helped make for a very enjoyable evening for all.

PROJECT TOUCH

Saturday mornings meant a lot to the participants of Project Touch, a program which brings elementary school children with emotional problems into close contact with volunteers from nearby high schools. Through active games of football and soccer, finger painting, gallons of Kool-Aid, the pounding piano, Santa Claus, and much hard work by tri-chairmen Christa Haefner, Robin Connor, and Frank Sturges, Project Touch proved to be both constructive and a lot of fun for everyone.

HUMAN RELATIONSHIPS

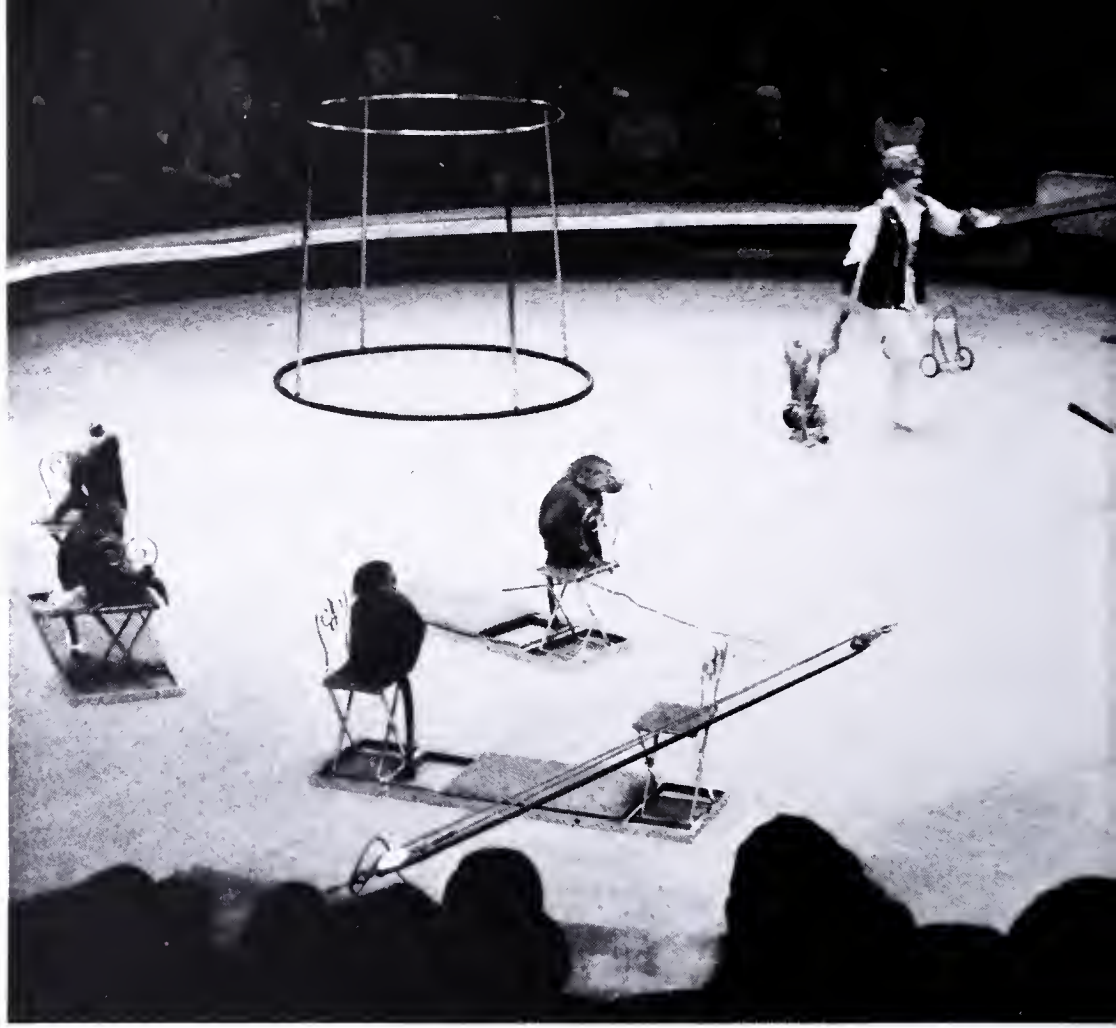

This year's second quarter brought an experimental project for one of Mrs. Woodford's thematic English classes. Under the course offer, "Human Relationships", grandparents were adopted from Powhatan Home For The Aged. In the spirit of Christmas, doors and wheelchairs were decorated, cookies and gifts were made, and the students presented a skit. Because of the program's success, plans were made to continue it for the rest of the year.

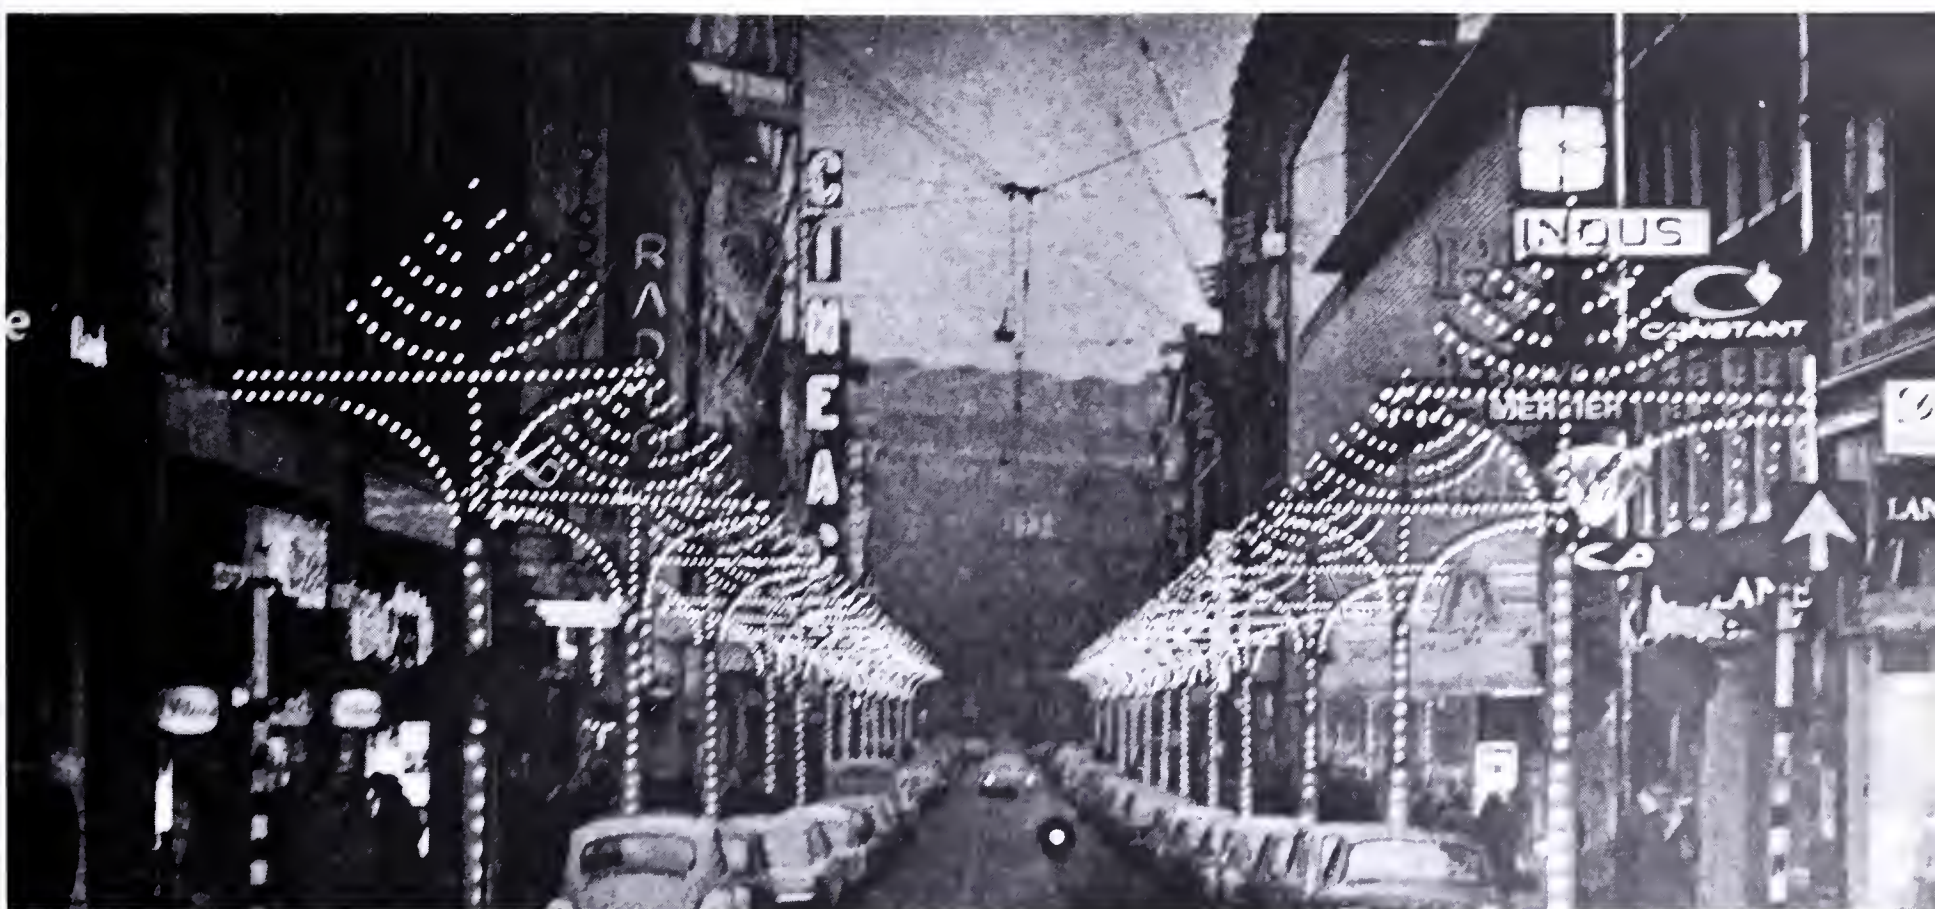

CHRISTMAS ABROAD

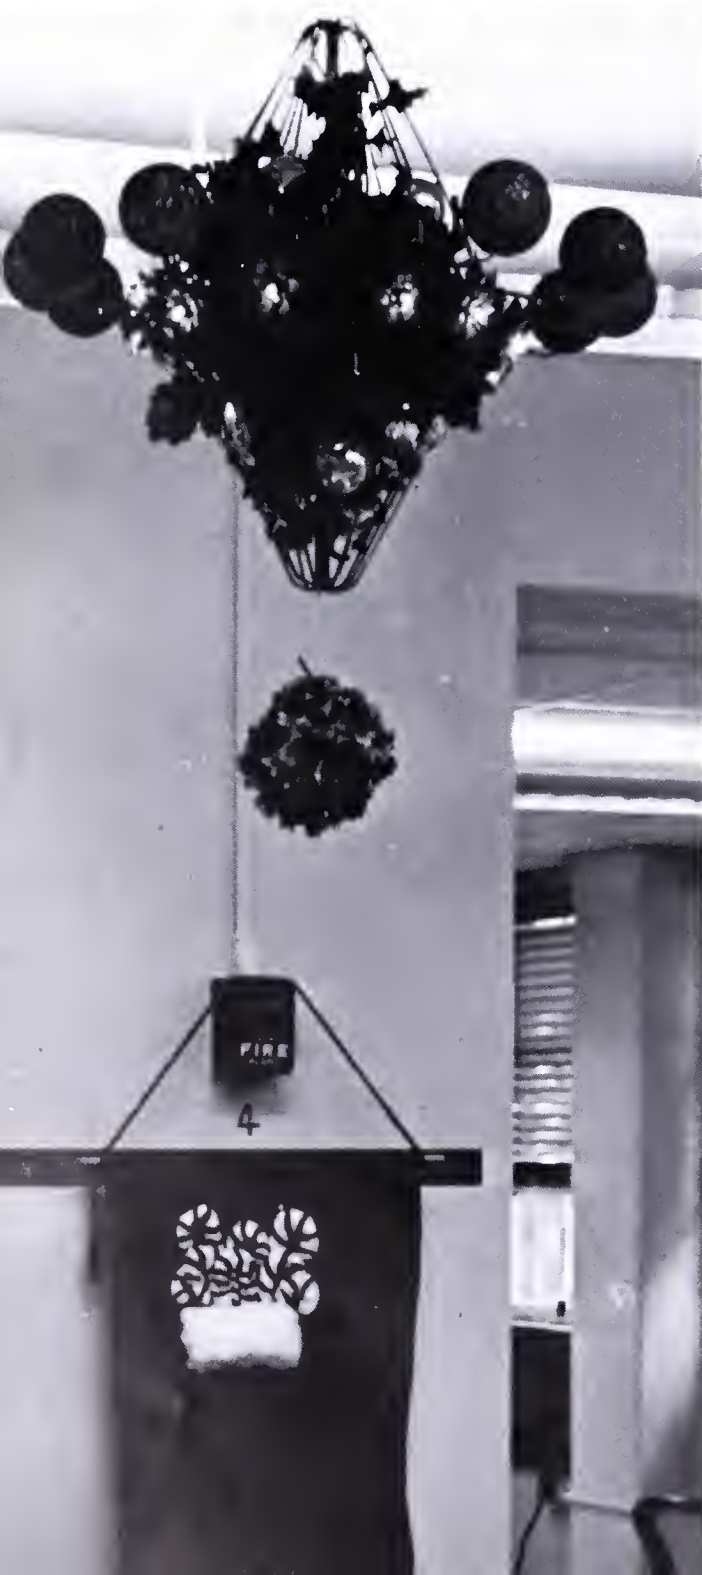

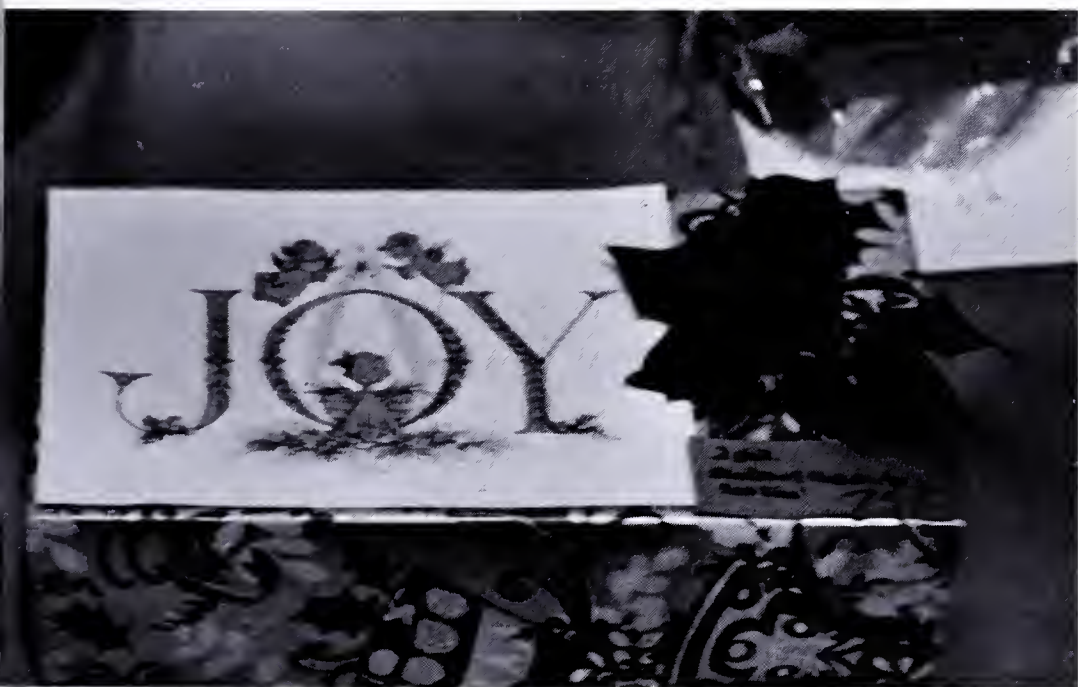

When 63 students and adults left National Airport on December 14th, they had no idea of what to expect. The tour group spent over 80 hours on trains, boats, and planes and ate an incalculable number of pounds of meat and potatoes. In 17 days, they spent time in Helsinki, Moscow, Leningrad, Amsterdam and London touring the regular tourist places and spending free time as opportunity permitted. Some of the most enlightening times were spent conversing directly with the people of the countries. The only let-down of the trip was the lack of Russian snow and London fog. On December 30th, the group returned tired and dying for some good American food, but richer from sharing an "experience which we'll never forget."

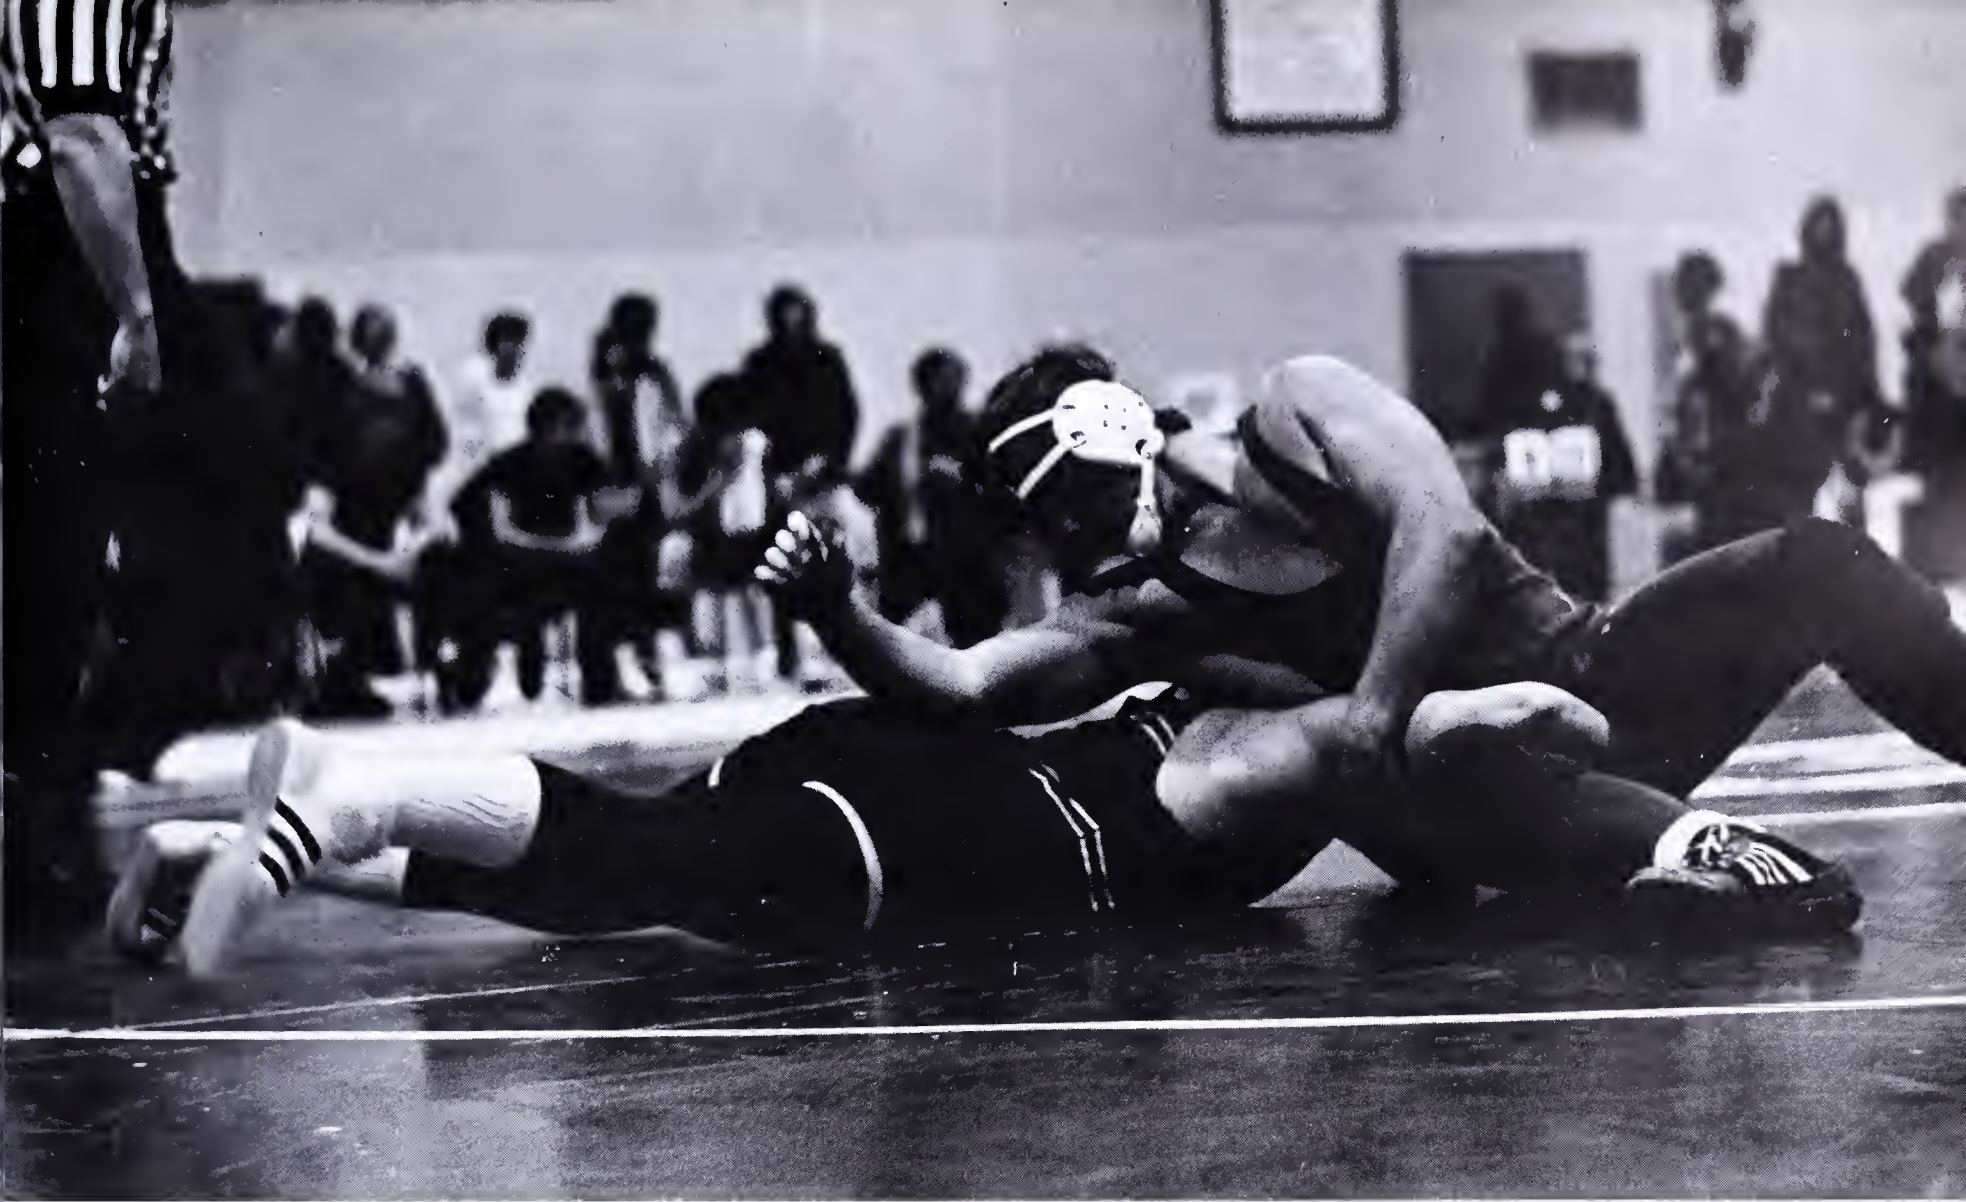

CHRISTMAS
AT
MCLEAN

VARSITY WRESTLING

A typical McLean wrestler dedicated hours of hard practice a week to wrestling. All this hard work is directed for one purpose; pinning the opponent. When a McLean wrestler accomplishes this goal, the referee raises his arm in victory, and he walks back to his teammates as if on air. With a 9-2 record, the Highlanders placed 3rd in the District and 7th in the Region. Standouts Steve Decker & Vince Belser made the Mid-Season All-State team.

VARSITY BASKETBALL

Often, in their desire to see two more points on the scoreboard the fans miss the more subtle aspects of good play: opening a defense, making a feint that throws an opponent off balance, passing with speed and pinpoint accuracy. McLean had it's share of good play but unfortunately did not produce as many wins as the fans wanted. The Highlanders ended the season with a 7-13 record.

JUNIOR VARSITY AND FRESHMAN BASKETBALL

Raising money for the athletic department and enjoyment for students, faculty, and the families of McLean, the Donkey Basketball Game has become quite an institution here. In spite of a cheering Keyette Club, carrots held at the end of a stick, and an audience which was predominantly in their favor, 14-8 saw the Key Clubbers go down to defeat by the coaching staff.

DONKEY
BASKETBALL

Also in its second year at McLean, is the basketball game between the Redskins and our coaching staff. The game proved very close as Coach Henry's fine shooting and the defensive moves of Coach Estes kept the Redskins down to a win of 54-46. The Redskins, always eager to please their fans, were forced to keep their minds on the ball game, but did give out many autographs afterwards.

The McLean Girl's Basketball Team carried on tradition by combining individual skills, determination, and teamwork to again come up with a winning season. Under the direction of coaches Call and Carrol, the Lassies hustled through their second season of five-man b-ball, drawing an increasing number of fans. To the beat of 250624, the girl's demonstrated their technique that was to be the downfall of so many opponents. The 72-73 season brought more than victory for the Highlanders. The Varsity members became proficient cheerleaders and songleaders, with the N.B.A. providing added inspiration and support. A major revelation for the year: Bright colors on game days are a no-no! To the six seniors, this season was the climax of four years of participation on the McLean team. The Juniors look confidently to next year. And with the tremendous talent and potential demonstrated by the freshman and sophomores, the future of girl's basketball at McLean looks promising indeed.

GYMNASTICS

In the competitive spirit of 1972-'73, the girl's Gymnastics team opened the season with two big wins over W&L and Madison High Schools. The higher degree of perfection in routines displayed by the girls, showed that the 'baby of Sports' in Fairfax County had grown-up since the 1971-'72 season. The second indication of growth was the ever increasing number of girls entered in the 'Optional' category of gymnastics. In order for team to grow and survive the team must open itself to this tougher competitive category. This year's team, with the help of, Maggie McNeely, an out-going senior, and Patti Thomson, two of the team's important competitor's, had a very good season and has high hopes of continuing their good record in the coming year.

TALENT SHOW

This year's Senior Class Talent Show took a new turn and became more a vehicle for the whole school's display of talent rather than exclusively for the Seniors. Still sponsored by the Senior Class, the show awarded first, second, and third prizes to Kitty Barber and Rich Sall, Jeff Lucas, and Paul Honis and Lisa Gillette respectively. Emcees, Tom Johnston and Tom Carson, added much to the running of what proved to be indeed a great display of the talent that McLean has to offer.

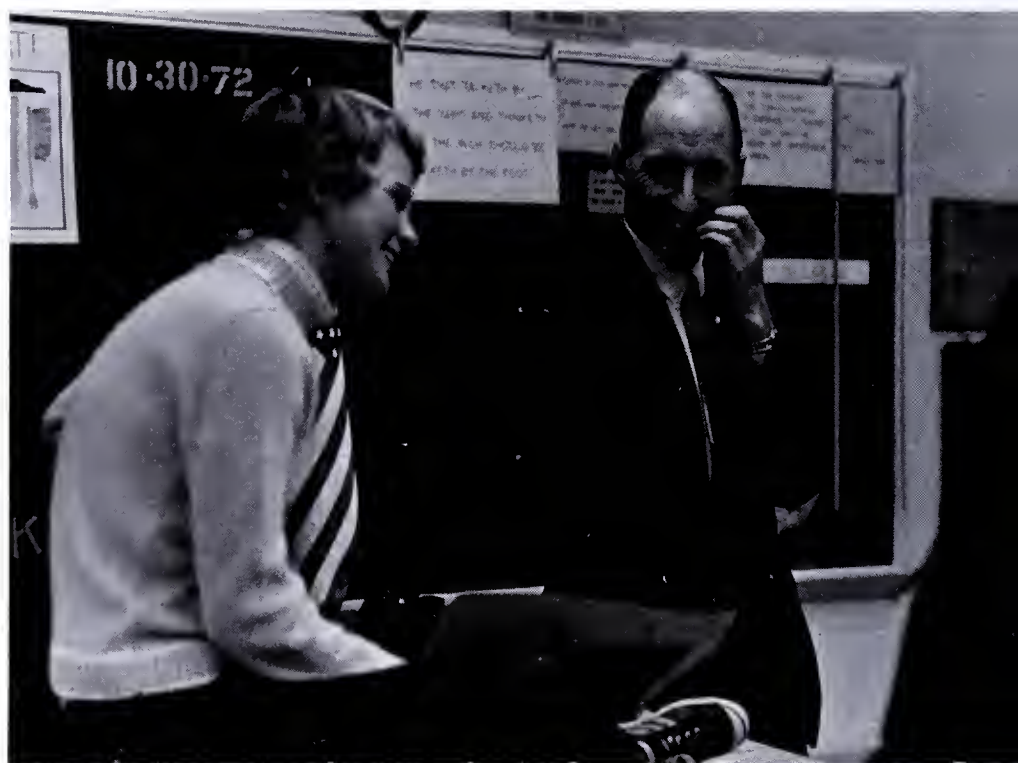

MISS McLEAN

Sponsoring the annual Miss McLean Contest, the Key Club raises money for their scholarship fund. Each girl, having been escorted to the ramp, walked under slide projections of her childhood and present life. With the show becoming more and more elaborate, this year's contestants divided into the four different color emotion themes which were choreographed by Ann Thor and Kathy Kassing with the assistance of Mrs. Wilson. Mr. John Duncan, returned as emcee and the stage band, Alan Hackman, and Charles Horne provided a good portion of the show's musical element. Lenny Granger, Miss McLean '72, crowned Travis Horel as Miss Congeniality, Ann Thor as First Runner-Up and Kathy Kassing, Miss McLean for 1973.

March 9th bloomed as any other Friday. The weather was typical for this year's winter—warm, and people were already in anticipation of the week-end. So what were those people doing parading down the halls in their wild get-ups? "Wild" is quite an understatement as many a tolerance level was tested by the masters for a day in the annual Maid and Butler Day sponsored by the Key and Keyettes to raise a little money for Project Concern.

MAID AND BUTLER DAY

PANCAKE BREAKFAST

The Pancake Breakfast is one of the major projects which help Keyettes raise money for Project Concern. A lot of work went into this year's breakfast and it proved to be the most successful in many years. Tri-chairmen, Shelley Smith, Meade Johnson, and Kristin Donnally, assisted by their sponsor, Ms Wood, two members of the cateteria staff, and many Keyette fathers, were the basis behind this year's success. Of course, without those who attended and ate their full, the project would not have ended on this day.

TARTAN

F.A.M.U.N.

F.A.M.U.N., Fairfax Area Model United Nations, provides an excellent opportunity for the student to take what has been learned in the classroom and apply it in a more or less real situation. The 3-day event at Fairfax High School saw McLean's Indonesia delegation of Chrissa Leggett, Raul Grable, Tom Johnston, and Tom Carson top honors. Mr. Chuck McMahon sponsored this as well as the delegations from Jordan, Canada, and Sydan of the Security Council. Everyone left eager to begin preparation for the national event to be held later in the year.

N.A.I.M.U.N

With a halftime score of Juniors' 25 and Seniors' 22, it seemed as if the Jivin' Juniors were going to pull it over on the Senior Sad Sacks. The Juniors were a bit too slow in the second half, however, and the aggressive defense of the Seniors began to dominate the game. The Jivin' Juniors presented a very large cheerleading squad while the Sad Sacks had a smaller but more exhuberant group. One Junior made a Senior basket and high scorers Jim Stigamire and Gary Gray brought the game to the conclusion of the Class of '73 with 59 over the Class of 74's 56.

WINTER CHORAL CONCERT

"Traveling" was this year's Winter Choral Concert theme and at conclusion one felt as if having just completed a very intensive pleasure cruise. From up-up and away in a balloon, to the dreamin' of California, to a cute aviation skit/song, and to the reading of the maps, the show moved quickly along. The colorful costumes, variety of song/styles, obvious enjoyment of the performers, and the dedication of Ms. Anderson, all added up for one of the most entertaining of choral/concerts.

A pre-festival concert is one of the Band Department's major winter performances. Bringing in the children of neighborhood elementary and junior highs, it gives these youngsters, as well as McLean band students, the opportunity for a warm-up to the festival. Playing for an enthusiastic audience of parents and friends, who will probably not see all the major portions of the festival, the young musicians make great use of this concert in an attempt to finalize much of that which will be played in festival competition.

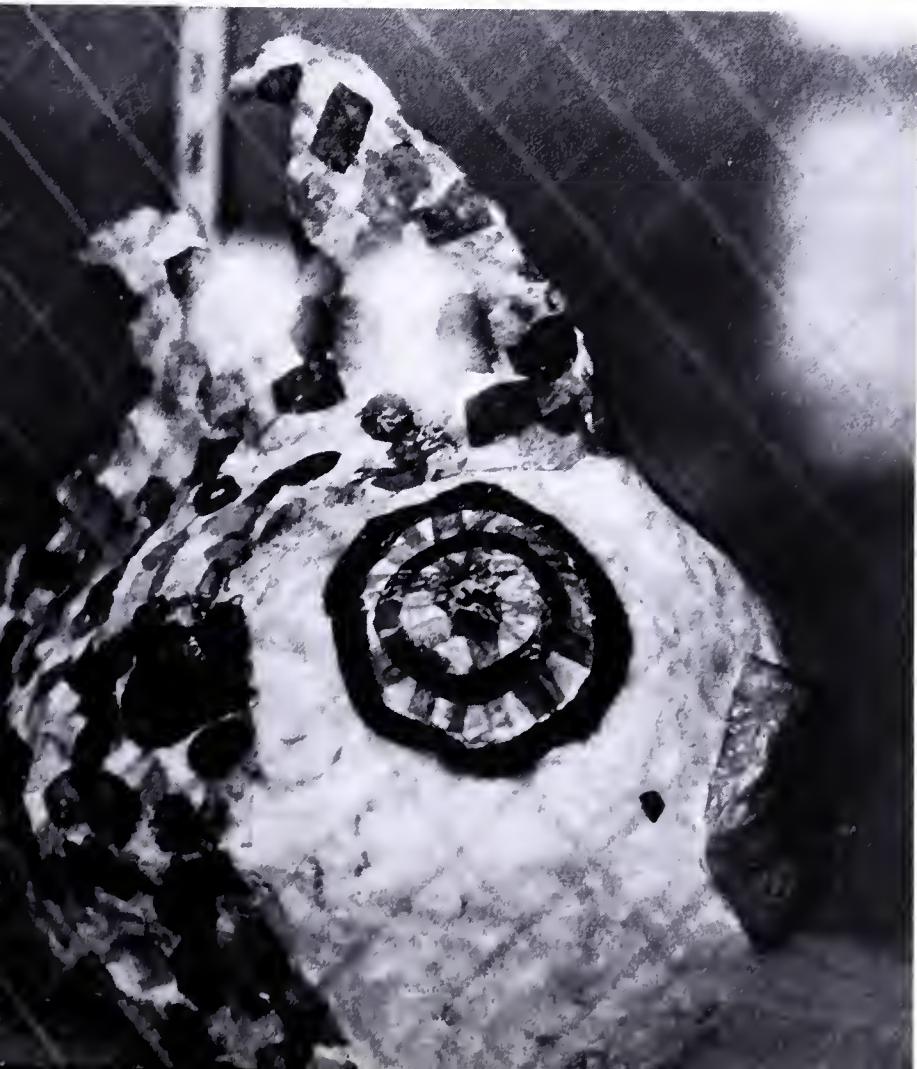

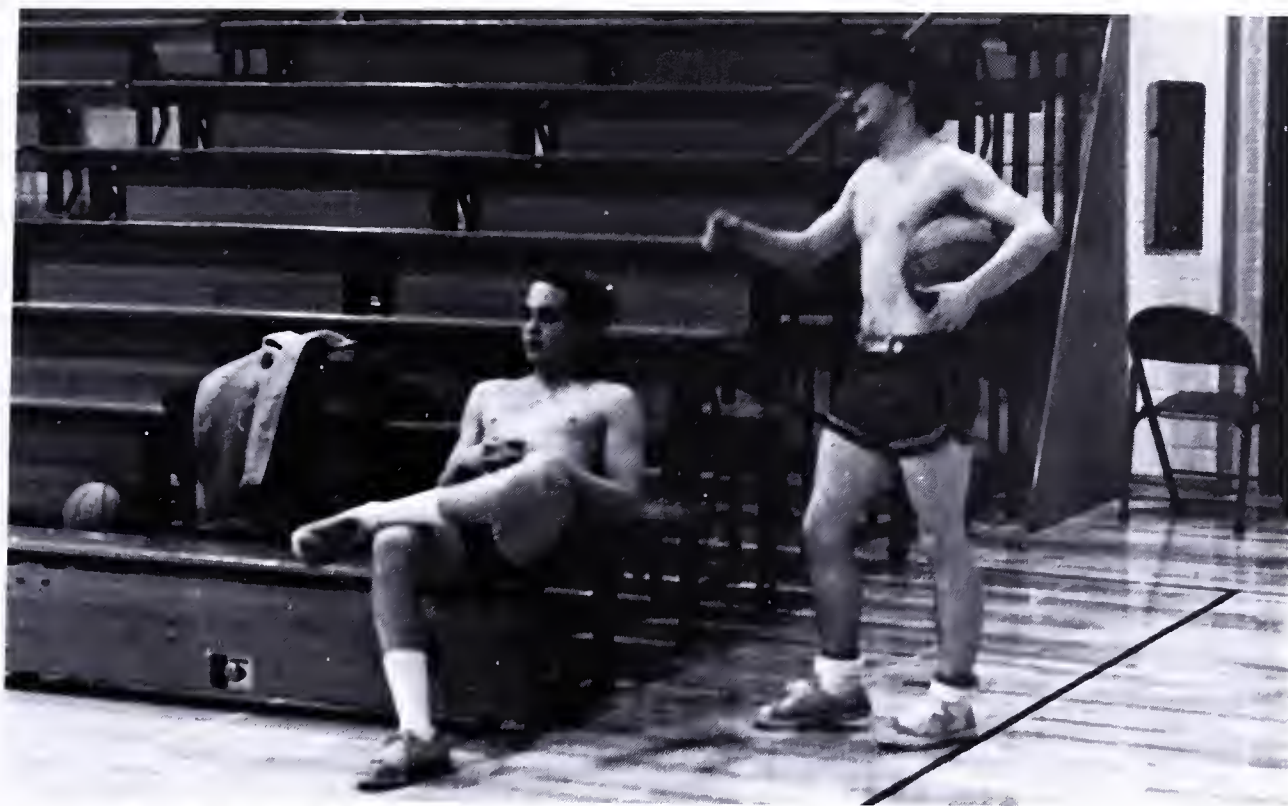

WINTER BAND CONCERT

THE SEA

As an experimental project to promote and express the continuity between departments, "The Sea", as it commonly was called, came into being. The program was under the guidance of Mr. Davenport—marine biology, Ms Young—artwork from and dealing with the sea, Ms Stone and Ms Best—literature of the sea, Mr. Bartlett—maritime politics, and Ms Donaldson—the sea in regard to the ecology crisis. With such subject matter as the singing of sea chanties, *Moby Dick*, the sea and foreign policy, water color in seascapes, and the study of water pollution, the project proved extremely successful. It was just a beginning, however, and it is anticipated that a program of its type will be continued on a larger scale in the coming school year.

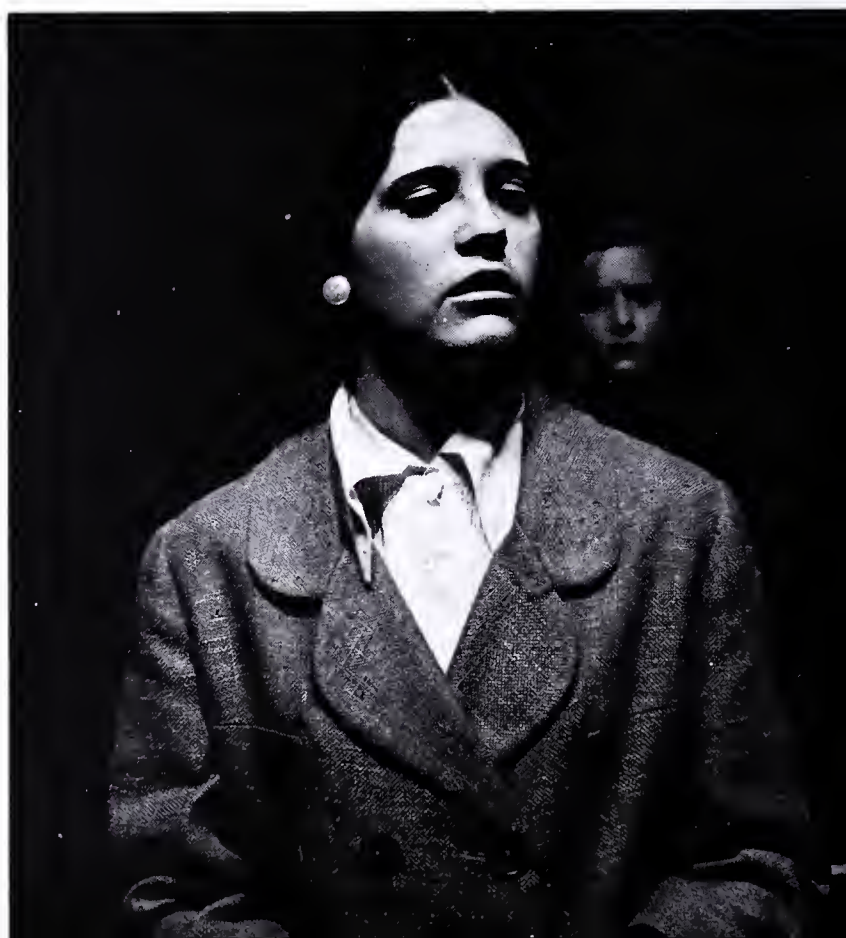

SPRINGTIME!

The third production of the McLean Drama Department was Agatha Christie's award winning play, "Witness for the Prosecution". This play, as with most of Christie's works, has many strange twists. The play starred a rising new performer, John Gore, who, sadly enough for the drama department, is graduating this year, and was supported by a cast of such old hats as Suellen Dittmar, Phil McDermott, Raul Grable, and Ann Hopkins. The play was one of the most successful productions of the drama season and was certainly full of turns which both stunned and enthralled the audience.

WITNESS

FOR THE PROSECUTION

The days between April 14th and 28th saw great prestige for the art department of McLean. Because of the previous tri-school showing at Great Falls National Park, McLean was given time and space for an exclusive showing. Under the title of "Art in the Park", the show covered much ground, both in subject matter and choice of materials, and blended in well with the gentle surroundings of the information center at the park. The showing came to a climax at the barbecue which was shared by all the participants and their instructors, Ms Ray and Ms Young, as even a drizzly day couldn't hold down the high spirits.

SPRING BAZAAR

The Second Annual Spring Bazaar was pretty much of a success. The bazaar, set up by the Student Government, included most of the clubs in McLean. The activities ranged from side show photos to Charlie Chaplin silents, and from delicacies of France to spinning and weaving demonstrations. Even though it was pouring outside, the spirits inside could not be dampened as the day proved an enjoyable and prosperous one for everyone concerned. After all, the weather outside was typical of our early Spring and no one was really surprised or too disappointed by it all.

GIRLS' SOFTBALL

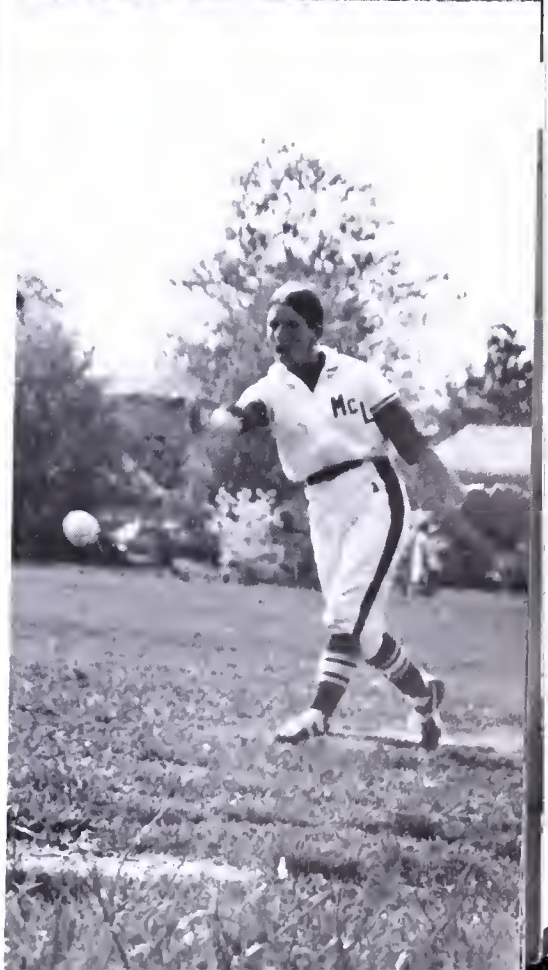

The McLean softball teams continued the long standing tradition with a winning season. Although many of the games were postponed due to rain, wins over arch-rivals Madison and Langley proved only the beginning. The coaching of Miss Call and Miss Carroll provided the experience necessary for a winning team, while Varsity co-captains Sally Johnston and Joanie Monahan and J.V. captain Debbie Parker provided the added incentive.

Although a major portion of this year's Varsity squad will be leaving the rising underclassmen will be more than able to make up for the loss.

BASEBALL

With a sharp crack of a bat the baseball team began a season characterized by a strong batting offense and a stingy defense. Using their new facilities at Bush Stadium, the team was pushed and prodded by Coach Autry into a very successful season. With the district in submission, it only remains to be seen how they do in the Regionals.

GOLF

After years of unsuccessful golf teams, this year's team, under the leadership of Coach Estes, changed everything and had a winning season. The team finally acquired enough experienced players so that there was no lack of depth on this year's team. With John Ekman, Kevin Brown, and Clarke Martin as the first three, the team was nearly invincible, ending with a 6-4 record.

TRACK

This year's track team is a young one, but still they managed to improve over last year's record by splitting the wins and losses. Standouts included Mike Skarlotas, an all-arounder who runs and jumps excellently; Chuck Mears, who set the new school record in discus; and Dave McNerney, who did well in the pole vault and high jump. Next year they expect a powerhouse team that will tear apart all competition, with Kurt Krutilla, Roy Allen, Kent Schoen, Ron Harris, Rick Small, and Andy O'Mahoney returning.

GIRLS' TRACK

Mrs. Woodford, Kathy Gallagher, Liz McKnew, Coleen Russel, Melinda Scheller, Jenny Scoville, Rita Gray, Lynn Kuldell, Patti Thompson, Sandy Stitt, Patty Boyd, Nancy Montgomery, Karen Kierce, Annette Pigott, Felicia Grable, Barb Barrett, Karen Kurly, Kathy Wieseman, Karen Vetterling, Denise Fitzpatrick, Cindy Morgan, Terri Taillon, Kim Michael, Kim Krutilla, Mary Richardson, Marianna Pyle, Sara Doerflinger, Christa Knott, Dana Weir, Patty Rojko

The McLean Girls' Track Team finished their season undefeated with the help of returning members Karen Kurler, Julie Chrisco, Kim Michael, Felicia Grable, and Annette Pigott. Coach Woodford provided the team with the extra incentive and experience to continue their winning season all the way to Regionals and then State. The girls piled up an impressive list of victories by taking the first District meet ever held. They also sent many members of their experienced team to Regionals. They made a strong showing there and continued to State with high expectations proving Girls' Track to be the most successful spring sport.

TENNIS

With last year's tennis team graduating, the burden of carrying on the team fell to this year's juniors. It was a build-up year for them, trying to gain enough experience to take the district by storm next year. At the helm was Coach Glenn in his second year as tennis coach. The players are looking forward to a successful season next year with starters such as Ted Meyer and Bruce Makino returning.

Coach Reeves, Jamie Loizou, Bob Gahagen, John Devlin, Brian Lawrence, Pete Tellman, Brian Carney, Greer Barriault, Bruce Bradford, Bud Wingert, Gail Stroemer, Tara Shipman, Rudy Garcia, Jeff Grimsley, Steve Longerbeam, James Freeman, Paul Maggi, Matt Kuldell, Stan Gordon, John Iverson, Trip Dietrich, Pat Payne, Chris Ross, John Henson, Tom Noble, Howard Lynch, Jeff Lukas, David Wrenshall, Billy Nichols

SOCCER

With the 1972 Soccer team winning the county championship, this year's team had a hard act to follow. But, they tried hard and came up with an 8-3-1 record and a team that would be tough to beat in the Regionals. With the scoring power of John Devlin, Brian Carney, and Greg Myren on offense, and the team defense work of Greer Barriault and Bob Cahagen, the Highlanders managed to run circles around most of their competition.

If a man is wise he does not let you enter the house of his wisdom, but leads you to the threshold of your own mind.

The astronomer speaks to you of his understanding of space, but he can't give you his understanding.

A musician sings to you the rhythm which is all space, but he can't give you the ear which arrests the rhythm nor the voice that echoes it.

He who is versed in the science of numbers can tell of the regions of weight and measure, but he can't conduct you thither.

Each one of you is alone in your knowledge and understanding of the earth.

Elliott;
It has been a fun
year in choir. I hope
you have a nice
summer. See ya next year
in choir. Hope you
don't have to wear a
mustache in next year's
winter concert.

Charlie Deas

you've shown this school that you can do what
ever you want. You have never let walls, people,
or your own fears stop you. Please don't
quite know because there is so much more
you can do for yourself and the rest of
us.

Beth
#

Elliot,
you have got to
be one of the most
spirited and nicest
persons around. Nice
knowing you this
year. Hope to see you
in the summer. Have
fun!

Linda
/

Every man is more than just himself; he also represents the unique, the very special and always significant and remarkable point at which the world's phenomena intersect, only once in this way and never again. That is why every man's story is important, eternal, sacred; that is why every man, as long as he lives and fulfills the will of nature, is wondrous, and worthy of every consideration. In each individual the spirit has become flesh, in each man the creation suffers.

I wanted only to try to live in accord with the promptings which came from my true self. Why was that so very difficult?

From "Demian"
